RE: Annual Delivery of Advisory Disclosure Documents

On an annual basis Registered Investment Advisers are required to file updated disclosure documents. Since our last annual update, we have a few material changes to our Form ADV that we would like to highlight.

Since the last annual amendment filed on 02/16/2017, the following changes have been made:

- Upon the expected implementation of the Department of Labor's Fiduciary Rule, the "Compliance with the DOL Fiduciary Rule" section of our Code of Ethics disclosed herein will be effective. This addition includes, among other things, important procedures defining Northwest Quadrant, LLC as a level-fee fiduciary and our compliance with the Impartial Conduct Standard.
- For our Comprehensive Portfolio Management services, at our discretion, our firm may discount fees for clients based on the complexity and scope among other relevant factors and circumstances. Refer to item 5 for further information.

Please find enclosed a copy of our Privacy Policy. If you would like more information about our services or a full copy of our Form ADV Part 2 free of charge, please let us know via email or telephone.

If there are any changes in your financial situation or investment objectives, contact us at your earliest convenience to schedule a time to discuss this further. We would like to take this opportunity to thank you for your ongoing business and look forward to a prosperous year together.

Sincerely,

Tyler Simones
