To receive the ChFC® designation, you must successfully complete all courses in your selected program, meet experience requirements and ethics standards, and agree to comply with The American College Code of Ethics and Procedures.

Three years of full-time business experience is required for all Huebner School designations. The three-year period must be within the five years preceding the date of the award. An undergraduate or graduate degree from an accredited educational institution qualifies as one year of business experience. Part-time qualifying business experience is credited toward the three-year requirement on an hourly basis, with 2,000 hours representing the equivalent of one year full-time experience. The following activities meet the required business experience qualifications included in the ChFC® certification process.

Insurance & Health Care:

- Field underwriting and management, including sales and service activities, supervision and management of persons involved in sales or services, or staff support of persons in these activities.
- Company management and operations in positions involving substantial responsibility.

All ChFC®s who matriculated after June 30, 1989 are subject to the PACE Recertification Program. If you are a ChFC® who falls into any of the following specified categories, you are required to earn 30 hours of CE credit every two years:

- Licensed insurance agent/broker/consultant
- Licensed security representative/registered investment advisor
- Financial consultant, attorney, accountant, employee benefits specialist, and any other individual who provides insurance, employee benefits, financial planning, or estate planning advice and counsel to the public

If you have earned all 30 CE credits through The American College, you do not have to sign and file a statement of compliance. The College will record CE credits you earned at The College and notify you when you have met the requirements.
